ANNEXATION FIGHT—THREATS OF RECALL?

Council Taps Water, Capital Outlay Funds To 'Rectify' Budget

Daly City's councilmen Monday night headed off an embarrassing budget deficit by transferring—by unanimous verdict—the lump sum of \$244,595 from capital outlay and water funds to balance the general fund and restore the city's fiscal status to solvency after almost a year of financial turmoil.

City Manager Edward Frank, emphasizing that the transfers from the two important funds (capital outlay and water) was "our only means of correcting the mistakes of the last year," stated such transfers are not uncommon in other cities which need to make adjustments to balance their general funds.

Frank said Monday night's main resolution transferring the capital outlay and water fund monies to the general fund would affect a balanced budget and "give us a fresh start for the new year."

The council later this month will begin study sessions on the fiscal '60-'61 budget, and all agree that a considerable jump in the property tax rate will be necessary, due to increased population and the need for more services and personnel to accommodate this growth.

Two additional budget resolutions were passed by the council following the \$244,595 transfer authorization. These two resolutions authorized expenditure of \$106,213.47 of the transferred \$244,595 to pay current expenses on approved projects, services and supplies.

Approximately \$110,000 of the \$244,595 transferred to the general fund represents a 15 percent surcharge assessed against the capital outlay and water funds to account for overhead and administrative expenses in handling and following through capital outlay and water department projects.

The city manager recommended this 15 percent surcharge as a permanent council policy. This overhead money from capital outlay and water will revert back each year to the general fund to increase this account and provide for a lower tax rate. Amount of this surcharge will be figured annually in drafting general fund expectations.

The 15 percent transfers affected Monday night routed \$36,000 from capital outlay to the general fund and \$75,000 from the water fund to the general fund.

The rest of the total \$244,595 transfer placed \$58,595.12 from capital outlay in the general fund, representing the amount which was used by the city in its shop revolving fund and the parks fund for expenditures that should have come from the capital outlay fund, and an additional \$75,000 was transferred to the general fund with the terminology that this would force no impairment of existing water department programming.

The entire resolution defining the \$244,595 transfer is printed on page 3.

City Finance Director Joseph Arch estimated that the \$94,595 transfer from capital outlay and the \$150,000 transfer from the water fund leaves "about \$25,000 in capital outlay and \$50,000 in the water fund."

Frank explained that the transfers are consistent with practices approved by the League of California Cities in instances wherein cities face budget emergencies and even as normal budget procedure. Answering Councilman Joseph Verducci's inquiry about the 15 percent surcharge against the capital outlay and water funds for general fund usage, the city manager replied, "15 percent isn't a high figure—some cities go as high as 25 percent on these surcharges, and the League of California Cities feels this is proper procedure."

1960 'Miss Daly City' Competition Open To Girls Ages 16-26

Young ladies are eligible NOW to enter the annual "Miss Daly City" contest, Chamber of Commerce managing director Pete Markovich said today.

Applications may be filed by single girls, between 16 and 26 years old, who live in the Daly City-Colma area by writing or reporting to 6454 Mission street. The contestants should list their name, age, address, phone number and occupation. Aspirants for the crown may call PL 5-2262 for additional information.

Markovich expects "at least" 25 applicants. Last year there were 16 when Pat Strasser, 1223 Nimitz drive, Broadmoor Village, won the crown.

Preliminary eliminations will be held on June 3 at 7:30 p.m. at a dedication ceremony by builder Henry Doelger to inaugurate a new Westlake swimming pool at the Park Plaza apartments.

The final five contestants will be feted at a dinner at the Steak Pit on June 16 where the winner will be announced. Miss Daly City will represent the community at the San Mateo County "Fiesta Dream Girl" contest. South San Francisco's Elaine French was last year's Fiesta Dream Girl winner.

The winner at San Mateo goes on to the California State Fair in Sacramento and the "Maid of California" beauty contest.

Judges for the Miss Daly City contest will be Superior Judge Frank B. Blum, Municipal Judge Charles Becker, former municipal judge Thomas Bocci, Mayor Frank Pacelli and Roy Hurlbert of Marchbanks Publications newspapers.

Fire Chief Elmer Kennedy said at press time that "more than 5500 tickets" have been sold for Daly City's 27th annual Firemen's Widows & Orphans Association Benefit Ball at War Memorial Community Center. More tickets will be sold at the door at the 8 p.m. affair this Saturday night. Jimmy Blas's orchestra will be featured.

TRY again if at first you don't succeed. There were plenty of empty seats in the City Council Chamber when chairman Arthur Bodien (standing) and

26 residents got the planning ball rolling for Daly City's 50th Birthday Week Celebration, set for May of 1961. Bodien hopes for a full house Wednesday

night next week when the second organizational meeting will be held, starting at 8 o'clock.

CHAIRMAN Fred J. Walker of the petitioners seeking a referendum on the Callan Park annexation, files 4229 citizen signatures with Deputy City Clerk Anna Ohlendorf. Walker's son, Michael, and housewife Mrs. Charles Marcus accompanied him Monday afternoon, as did Joseph Robinson and Frank Somerville of the professional firm which coordinated the petition drive. The signatures are being verified in Redwood City and city council action on the validated petition is expected May 23.

COUNCIL OKAYS TWO SMALLER ANNEXATIONS

City Councilmen Monday night closed hearings on two small annexations—the Garbino and Del Monte lots north of Market street between Second and Third, and the Nolan street frontage lots in the 90th street area west of Junipero Serra. Some adjustments will be asked by the council on the latter lots to bring them up to the city's 33-foot minimum lot requirements.

The Council approved an agreement with the sanitation district for installation of sewer mains in the 90th street assessment district (Callan Park) behind the Serra theater.

Also reviewed was a letter from Robert Dell'Ergo, attorney for Garibaldi street homeowners who have made an agreement with apartment builder Gus Pedemonte about sizes of units to be erected on the south side of Garibaldi street across from the homes.

Multiple units fronting Garibaldi have been ruled out according to this agreement, as duplexes will be the maximum allowance. Pedemonte also will pay for a short street linking Garibaldi south to Price street.

The Council finished second readings and adopted ordinances rezoning 12 lots on Scenic Way and Alturas Way off Templeton from R-1 to R-3 for apartments, and the rezoning of two small parcels of Doelger-owned land south of Southgate at the new library site, from C-1 to R-3 for apartments.

In other action, Shell Oil Company was granted a use permit, after much delay, for a sign at Eastmoor avenue and Sullivan street, subject to approval and future relocation at the request of the State Division of Highways.

FAVOR ANNEXATION

Volunteer Fireman Heads New Committee Backing Callan Park

Frank Tardelli, long-time Daly City resident, today announced formation of a Daly City Citizens for Progress Committee, which favors the city's annexation of Callan Park.

Tardelli, 40, is a plasterer and for nine years has been a Daly City volunteer fireman. He is currently president of the Veterans Firemen's Association of Daly City. A World War II veteran, he lives with his wife, Helen, and their eight-year-old daughter at 26 East Moltke street.

In describing the new group's purpose, Tardelli said: "The Callan Park annexation gives Daly City a rare opportunity to come into its own. I believe in our community's growth — if we don't grow, we'll stagnate and progress will pass us by."

"I believe our council's decision to annex the Callans' 871 acres was right. The vote was four to one. We — and I mean all the citizens of Daly City — elected these five men to represent us. I believe they're doing a good job, but, even if I didn't, I'm still a firm believer in democratic government, under which you have confidence in the ability of the people to elect their representatives. You don't undermine that trust by starting a fight on your representatives' actions every time they do something."

Tardelli pointed out that an opposition group to the Callan Park annexation had hired an expensive petition circulating firm to whip up a "useless and needless" costly election on the annexation.

"The truth is:

"(1) Daly City school taxes are not a factor in the annexation. Callan Park is in the South San Francisco Unified School District.

"(2) Daly City garbage rates are not a factor in the annexation. Residents of Callan Park will pay a private firm to haul their garbage.

"(3) The four-to-one decision of the Daly City Council for annexation was not hasty. Months of intensive study were put in by the city attorney, city engineer, city manager, and other department heads before the annexation even went before the council and all branches of the Daly City government favor the annexation.

"(4) As a union man, I hardly need to point out what building homes for 16,560 persons, plus three shopping centers, schools, churches, and many other facilities will do for the working people of my home city. This activity — and these jobs — will be wonderful for all of us in greater Daly City."

Tardelli said he was organizing a Citizens for Progress board of directors and committees to work for the annexation.

Mayor Tangles With Petition Drive Leader

The storm over Daly City's annexation of Callan Park hit the all-out stage at Monday night's City Council meeting when Mayor Frank Pacelli clashed vociferously with Fred J. Walker, spokesman-chairman for 4229 residents who four hours earlier filed a petition asking that the annexation be rescinded or put to a referendum vote of the people.

Planners OK Callan Unit No. 1

Unanimously, Daly City's Planning Commission Tuesday night approved the final map for Callan Park's first 300 homes (half of its initial unit) and the tentative map of Callan Park Unit 2 which is geared for 374 homes and a 15-acre school site.

In addition, the Callans submitted a preliminary master plan of the entire 870-plus acres, including in this four tentative school sites.

Tom Callan Jr. said construction of the first of 600 homes in Unit 1 just east of Sharp Park road is slated to start on June 1.

The commissioners (Art Colvin was absent) filed a letter from the South San Francisco Unified School District which asked that information "on protection for school districts" in connection with the Callan Park development be forwarded continually to that body.

The commission continued hearing on the city's proposed zoning ordinance, consistent with the Master Plan, to their next regular meeting, June 14. A representative of the Hahn, Wise and Barber survey firm (Continued on Page 2)

"Why can't the people vote on this," challenged Walker. "The Callan tract represents a 50 percent increase in Daly City's size—a move which can only cause a big property tax increase for present residents."

The mayor, matching Walker's full wrath, reminded the latter, however, that "I do not question anyone's right to petition for a referendum on any public issue, but I cannot tolerate your tactics."

Pacelli, repeating to Walker that "you attempted to intimidate me," countered, "I strongly resent the strong-arm approach being used on me and Daly City's three other councilmen who voted for the annexation."

The mayor continued: "I resent Mr. Walker's implication that I can be scared by the threat of a recall election. I resent the hiring of a paid petition circulator's firm to deceive well-meaning people into signing petitions through misrepresentation. I resent this delaying tactic (petition for referendum), for all Daly City citizens are well aware that we are operating under a stringent budget."

Taken to task again by St. Clair about the phone conversation and alleged threats of a recall, Walker answered, as per (Continued on Page 2)

KPIX FEATURES 'CALLAN PARK' PANEL SUNDAY

Television Station KPIX (Channel 5) this Sunday at 1:30 p.m. will present a public service half-hour program on Daly City's annexation of Callan Park.

A spokesman said Mayor Frank Pacelli, City Attorney Paul Hupf, Councilman Bob St. Clair, a member of city planning commission, and Fred J. Walker of the petitioners for a referendum would be present for a panel discussion on the annexation.

NEW WESTLAKE FIRE STATION 'OPERATIONAL'

Fire Chief Elmer Kennedy said today that although the City Council has not formally accepted the new \$96,000 firehouse building at Lincoln avenue and Edgemont drive, 10 of his men moved into the Westlake addition Monday.

Kennedy said the move was made early because children were doing damage to windows, lights and the building itself. Now the building has adequate supervision and headquarters fire protection for St. Francis Heights, Westlake Units 10 and 11, and the Palisades, the chief explained.

There are two fire trucks at the site. Captains for the four-man shifts are Harold K. Schrock and Charles E. Marshall. Kennedy said the station is still "in a rather bare state" for furniture and other accessories.

The Fire Chief noted the council will probably accept the site as completed on May 23.

More Than 1000 To Invade Broadmoor For Polio Injections

Broadmoor American Legion Post 824 expects more than 1000 persons to turn out for polio inoculations at Broadmoor Community Center, 714 White street, Colma, this Saturday, according to project chairman Ray Logan.

Logan said that Vista Mar elementary school alone has a request for 306 shots. He said 18 other Daly City area schools, as of last Friday, had yet to be heard from.

The project chairman noted that any one of the series of shots or the booster shot will be given Saturday. The cost is \$1.

Logan released the following schedule: using the person's last name to determine the time schedule:

A-C 9 a.m. to 9:45
D-F 9:45 a.m. to 10:30
G-I 10:30 to 11:15
J-M 11:15 a.m. to 12 noon
N-R 1 p.m. to 1:45
S-Z 1:45 p.m. to 2:30

Persons who cannot possibly report at these times will be inoculated Saturday between 2 p.m. and 4 p.m., Logan said. He noted that the above schedule will be adhered to as strictly as possible due to the large number of persons expected.

The Democratic Way

To resolve any problem in a democracy the simplest way out is to let the voters decide at the polls—whether it be at a regular election or a special one. And by virtue of our American way of life (Democracy) it seems, indeed, the right of over 4,000 registered voters to call for and get a referendum election.

As less than 2,000 registered voters' signatures is all that is required to call for a referendum election in Daly City, and over 4,000 signatures were turned in, it follows that quite a large number of Daly City voters want a referendum election.

"Let the voters decide," seems to be the only way out in the present dilemma.

Where Do We Go From Here?

A few years ago, the electorate of Daly City passed a sales tax ordinance with the proviso that 50 per cent of the proceeds should go into capital outlay and 50 per cent be used to lower the general tax rate. Now, what happens?

Due to a deficit of over \$200,000 the city is making various transfers of funds—mainly from water department revenues, and capital outlay funds by assessing "bookkeeping" costs against capital outlay monies, as one way of making up the deficit. Although this is "legal" procedure it seems like "robbing Peter to pay Paul."

In the first place there seems to be no mention of "bookkeeping" costs being assessed against capital outlay funds in the original ordinance and, in the second place, the city fathers promised that sales tax money would only be used in this manner—50 per cent to reduce taxes and 50 per cent to be used in capital outlay.

PG&E Proposes \$1.05 A Month Gas Tax Hike To PUC Board

The higher cost of natural gas piped from Texas and New Mexico, plus the higher costs of materials, wages, taxes, California gas and borrowed money, will require increased rates to customers of Pacific Gas and Electric Company, PG&E reported to the California Public Utilities Commission in an application filed May 6.

On the average, the proposed increase would add about 3 1/2 cents a day or \$1.05 a month to the bills of 1,575,000 residential gas users in northern and central California.

PG&E asked that approximately one-third of the rate raise go into effect on August 25, scheduled date of a wholesale price increase that PG&E must pay to El Paso Natural Gas Company, its out-of-state supplier.

The company requested that the remaining two-thirds go into effect as soon as possible. The Public Utilities Commission is expected to call public hearings shortly to consider and rule upon PG&E's application.

PG&E pointed out that it and other utility customers of El Paso Natural Gas Company, together with the California Public Utilities Commission itself, are fighting vigorously the new wholesale price increase filed by El Paso with the Federal Power Commission on February 23.

However, PG&E said, it could not absorb its share of the El Paso increase without jeopardizing its ability to give adequate service to its customers. Vice President and General Manager S. L. Sibley said that PG&E's proposed new rates will enable the company to (1) offset the higher costs of gas purchased by the company, (2) meet the other higher costs of doing business, and (3) attract at favorable terms the capital necessary to build facilities for the growing needs of PG&E customers.

Sibley said PG&E presented detailed data in its application on recent and expected future increases in taxes and wage rates. "PG&E has held down many of its costs by streamlining work methods and using more mechanized equipment," Sibley said.

"Our work force of 18,000 is only slightly larger now than it was ten years ago in spite of rapid population growth in northern and central California. However, wage rates per employee in the utility industry are rising steadily and the total cost of wages is up sharply."

8 To 12 Year-Olds Eligible For Daly City's Summer Camp

Hiking, archery, outdoor cooking and nature crafts are just a few of the activities that will be offered Daly City children eight to 12 years of age at the Department of Park & Recreation's 1960 Summer Day Camp.

Fifty campers per session will be transported from Daly City to Junipero Serra County Park located near San Bruno, Monday through Wednesday, for five consecutive weeks. A \$3 registration fee will include cost of transportation, milk daily, and lunch on Wednesday.

A special camp session will be offered to the handicapped children of Daly City from July 11 — 15. Registration fee for this session will be \$5. Day Camp sessions are as follows: Session I — July 11-15 (Handicapped Children only); II — July 18-20; III — July 23-27; IV — Aug. 1-3; V — Aug. 8-10; and VI — Aug. 15-17. Registrations will be held at the War Memorial Community

RESOLUTION TRANSFERRING FUNDS

(Editor's Note: Following resolution was passed unanimously by Daly City Councilmen last Monday night effecting transfers from the Capital Outlay and Water Fund in order to balance the general fund and avert a deficit in the latter account.)

RESOLUTION
WHEREAS, the City Council of the city of Daly City, in conjunction with certain administrative department heads of the city, has carefully studied the financial status of Daly City, together with receipts and disbursements during the past several years, and

WHEREAS, the City Council finds and determines and does hereby find and determine by reason of past acts that the General Fund of the city of Daly City is in deficit and that in order to balance this fund for the beginning of the new fiscal year commencing July 1, 1960, certain account transfers can and should be made for the purpose of bringing the General Fund in balance and also and equally for the purpose of reflecting certain budgetary transfers and allocations which properly should be made, and

WHEREAS, the City Council in its study of expenditures from Capital Outlay Funds and Water Funds has found that no charges have been assessed against expenditures from these funds for certain administrative and overhead costs which have been incurred and are properly chargeable to projects paid from these funds, and

WHEREAS, in this connection the Council finds that projects chargeable to Capital Outlay Fund invariably require administrative and overhead charges equivalent to fifteen percent (15%) of the particular project and disbursements made, and

WHEREAS, the Council further finds that projects chargeable to the Water Fund invariably require administrative and overhead charges equivalent to fifteen percent (15%) of the particular project and disbursements made, and

WHEREAS, in the past no charge has been made to either the Capital Outlay Fund or the Water Fund to cover administrative and overhead expenses, and

WHEREAS, Capital Outlay Fund and Water Fund revenues were not considered separately in the past, and

WHEREAS, in addition, examination of all expenditures and disbursements of the City during the past two fiscal years since the creation of the Capital Outlay Fund indicates that the sum of \$58,592.12 has been advanced to the Shop Revolving

Fund from the Central Fund and the Parks Fund when in fact such charges should have been made to and paid from the Capital Outlay Fund, and

WHEREAS, examination of the status of the Water Fund, in the judgment of the City Council, indicates that the sum of \$75,000 may be transferred from the Water Fund to the General Fund without impairment of any obligation of the City to bond holders or to others, and

WHEREAS, the following transfers have been recommended by the City Manager (Edward Frank) and Director of Finance (Joseph Arch) and approved as to validity by the City Attorney (Paul Hupf),

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Daly City that in accordance with the foregoing, the following transfers of money to the General Fund from various accounts be made and the City Manager and Director of Finance be, and they are hereby authorized and directed to make the transfers set forth hereinafter:

The transfers are as follows:

a) The sum of \$36,000 from the Capital Outlay Fund to the General Fund being fifteen percent (15%) of the balance of said fund as of June 30, 1959, and chargeable to said fund for general administrative expenses properly allocable to capital expenditures made.

b) The sum of \$58,592.12 from the Capital Outlay Fund to the General Fund being the sum of money advanced to the Shop Revolving Fund and the Parks fund for expenditures properly chargeable to the Capital Outlay Fund.

c) The sum of \$75,000 from the Water Fund to the General Fund being a sum which may be transferred without impairment of any of the City's obligations plus a sum equivalent to fifteen percent (15%) of the receipts of said fund during the fiscal year 1959-60 for general administrative expenses and overhead.

BE IT FURTHER RESOLVED that the Water Fund and Capital Outlay Fund heretofore be subject to a surcharge of 15% of receipts of such fund in order to defray administrative expenses and overhead charges properly incurred in behalf of said accounts.

Girl Scouts Wash Cars To Raise Funds
Would you like to have a nice, clean car and at the same time help the Girl Scouts in their car-washing project?

Senior Girl Scouts are building up a reserve fund for future use. To make money, they will hold two car washes, May 21 and May 28, from 10-4, at Conci's Shell Station, Mission and Hillside, Daly City, with Ship 13 in charge. Troop 24 will be located at Broadmoor, Richfield, 87th avenue and Sullivan.

SIX TEACHERS TO BE HIRED FOR OCEANA

Jefferson Union High School District has bid six teachers to hire to complete the Oceana teaching staff following last Monday evening's approval of contracts.

Hired were: Carolyn J. Carlton, who received her B.S. and M.S. degrees from the University of Oklahoma and has taught at Santa Barbara High School in Santa Barbara this past year. She will join the Oceana business education department.

Leland J. Mosher, who was graduated with an A.B. degree from Buffalo State College in New York and is currently doing graduate work at San Francisco State, Mosher is currently practicing teaching. He will be in the industrial arts department at Oceana.

M. Ross Rodgers, who attended Clarion State Teachers College in Pennsylvania and also College of the Pacific and San Francisco State. He has 15 years experience, the last five at Galileo High School in San Francisco. He will join the Oceana mathematics department.

Trustees also approved the classified hiring of Mrs. Thelma A. Zimmerman as Oceana registrar and summer school clerk.

Resignations were accepted from Frank R. Barrows, Westmoor radio and electricity teacher, who will become a member of the San Mateo College staff; Miss Jacqueline Nettles, Jefferson physical education teacher, who is to instruct at the College of Marin; and Mrs. Marie A. Smith, Jefferson science teacher.

DWYER PRAISES PARISHIONERS ON FESTIVAL

The "Carousal Days" of Our Lady of Mercy Parish were heralded as a "tremendous success," and the funds derived from the festival will be used in the construction of an additional parish school. It is estimated that more than 10,000 people attended the festival.

Richard Dwyer, the general festival chairman, summarized: "It was a pleasure to work with such an outstanding group of enthusiastic and hard-working men and women. Members of the Westlake Catholic Men and Westlake Catholic Women deserve the full credit for a job well done."

Summer Months Folk Dancing

The graduates of six months of folk dance lessons under the direction of Elsie Maclaren celebrated with a miniature festival at Daly City War Memorial Community Center last Friday. It was a gay, exciting evening with an all-request program.

For the first time, folk dancing is to continue during the summer months on Friday evenings at Daly City War Memorial Community Center on Mission street from 7:45 to 10 o'clock.

This is not for beginners (classes for beginners will start in September), but for anyone who has had six months of folk dancing; nor is it limited to dancers trained by Miss Maclaren.

A rare opportunity has presented itself for the formation of a folk dance club in Daly City. The graduating class, with an unusual number of members possessing executive ability, is all for it. Marvin Jerue, popular teacher in northern California not only of folk dancing, but square and round dancing, is available to take on the leadership of such a group. Marvin is the brother of Lawrence Jerue, the president-elect of the Folk Dance Federation of Northern California.

Superintendent Ed Morgan said, "South San Francisco is the only major district in our area, that I know of, that will not have a summer program."

TWO HOUSES are to be moved from the George Washington elementary school site, located between Bellevue avenue, Lowell, Hanover and Whittier streets. The 6.5 acres of land will house 12 classrooms, one kindergarten, a library and administration unit. Completion date is February of 1961 for

AROUND TOWN

By ROY HURLBERT

"COMMITTEES" are spearheading the Callan Park annexation ruckus.

Petitioners for a referendum hired a San Francisco firm (it's no secret) to supervise the signatures drive.

In the other camp, the newly born Daly City Citizens Committee For Progress, headed by fireman Frank Tardelli, has enlisted a professional publicity agency (also from San Francisco) to write its press releases.

There's plenty of financial backing in both camps, folks, so get set for a riotous campaign—much livelier than the recent political election.

LAST SATURDAY morning while inspecting Jefferson High District's two new Pacific school sites (Sharp Park and Linda Mar) with Superintendent Ed Morgan, we got another eyeful of a community with extreme problems.

Pacific, incorporated two years ago, has critical water, sewage and school woes. These essentials must be corrected first before that area can hope to finance such additional facilities as a city hall and adequate fire and police stations.

Two water bond elections there failed to muster the necessary majority. Water usage is at an "emergency minimum." Sewer facilities down yonder are equally obsolete.

And after examining a year-old new elementary school on the North Coastside (barracks-like and weedy), we came back to Daly City grateful for better municipal conditions and aware that ultra-modern schools like Westmoor and Vista Mar, costly though they be, are blessings by comparison.

GRANTED, Daly City councilmen have their hands full with obstacles, but don't be surprised later this year if they make a serious attempt to annex Broadmoor.

It's an old proposition, but if a factual analysis of the advantages of this move were to be made, even those in Broadmoor might be surprised.

THE PROPOSED 100-acre Panorama tract annexation (northeast of Daly City) is regarded by Daly City's fathers here as the "foot in the door" to the enormous Crocker Estate. Industrial potential up Crocker way is fantastic.

THE GIANT, new Mormon Church being built off Hillside boulevard at Brunswick street is scheduled to open its doors as the "San Francisco Stake House" by January next year. It's seating capacity will be 2500.

A spokesman for the group said about 150 hours a week of volunteer labor is making the completion date sooner than expected.

BACK from a week-long schooling stint in Los Angeles is city water meter repairman Frank Rehe, who attended Neptune Meter Company's course on latest water meter repair techniques.

Water meters are big items in the annual budget and their maintenance keeps Rehe hustling.

POLICE Sergeant Jack Walsh of Daly City next month will attend the annual three-day meeting of the International Association of Identification Officers.

LAW ENFORCEMENT experts in fingerprinting and crime photography get together in these shindigs. J. Edgar Hoover of the FBI was the speaker one year.

Walsh in the past has attended entirely at his own expense. This year the council granted him \$50 for the Reno meeting. And no gambling. You don't have to worry about Jack!

TOUGH luck in pairs?

Newspaper ad men Monte Dayton and Sam Felsler (both this sheet) had their autos stolen in broad daylight from in front of the newspaper office within a period of a week. Dayton recovered his, but Sam is still looking.

QUOTE of the week by Patrolman Jim Bergstrom: "The winds at Candlestick Park are for the birds."

DALY CITY is taking "very good" care of its rats. That's what the county health department summarized in its annual Peninsula-wide vector control survey, perused by councilmen Monday night.

Local rat oblivion is entrusted to the North County Sanitation District which hires Oaklander Tony Silvera to bait the suspect areas with poison once a month.

Tony has been rubbing 'em out with regularity.

AT MARCHBANKS PARK Westlake Kennel Club's Second Annual Dog Show This Saturday

Westlake Kennel Club's second annual purebred dog show will be held this Saturday, May 14, at Daly City's Marchbanks Park.

There's no admission charge and it's a "bring the whole family to watch" affair. The competition is open to owners of purebred dogs and trophies and ribbons will be awarded in many usual categories.

Junior showmanship awards will go to youngsters ages 8 to 16 who wish to enter. These children need not own a dog, but will be allowed to "handle" the canines and will be judged on their efficiency at this task.

Dogs should be entered by this Thursday, but chairman E. A. Herscuth of Westlake Kennel Club mentions that the entry list will remain open until the judging begins at 10 a.m. Saturday.

The Westlake Club's first "fun match" last year here was

an outstanding spectacle, drawing entries from throughout San Mateo County and San Francisco.

Persons wishing to enter dogs or wanting more information on Saturday's event are encouraged to call Herscuth, PL 6-4339, or see him at 271 Woodrow street, Daly City.

'Gay Blades Revue' To Be Theme For De Molays Program

"The Gay Blades Revue," a comedy extravaganza based on the gay ninety days, will be the theme of the entertainment program to be presented by Islam Chapter, Order of De Molay.

The affair is for De Molays, their parents and friends, according to George Weddleton, master counselor of the chapter. It will take place this Friday evening, in the Richmond Masonic Temple, Arguello boulevard and Clement street.

Preceding the comedy act, dinner will be served. Dancing and whist will complete the evening activities.

KIP Stars In Spotlight At Dance Festival

Spain, Hawaii, Mexico and our own wild and woolly West will mingle their gaiety and color in the May Folk and Square Dance Festival sponsored by the Recreation and Park Department at Kezar Pavilion in San Francisco's Golden Gate Park, Sunday afternoon, May 15, from 1:30 to 5:30.

Martita Santiago of San Francisco will exhibit exciting Spanish dancing and Gerri Harbin of Castro Valley will furnish the glamour of Hawaii with her hulas. These talented dancers are KIP Stars from the Kids In Performance Workshop of Daly City, directed by Mrs. Kay Irvine. Their display will be an extra pleasure for spectators and dancers in the program of international folk and western square dancing prepared with a Mexican flavor by the Cayuga Twirlers.

Square dance callers, all members of this folk and square dance club, will be Harlan Beard, Lou Magidson, Al Sanford, Tom Wall, and Al Williamson.

Like all festivals sponsored by the Recreation and Park Department, this event is free and everybody is welcome.

Institute Of Music Students To Parade

The California Institute of Music, 2125 Junipero Serra boulevard, Daly City, will join in the festivities of the annual bazaar of St. Thomas More Church.

Thirty students from the Institute will perform in a parade leading to the church from Lake Merced and Font blvd. The parade will take place Friday, May 14, at 6 p.m.

This precision unit of young musicians will be composed of students at the intermediate level at the Institute. The rehearsals for this event took place during the weekly band practice, an integral part of their musical program.

Our Lady Mercy Parish Picnic Slated Sunday

Our Lady of Mercy of Westlake will hold its fifth annual parish picnic on Sunday, May 15, at Linda Vista Park, Mission San Jose, beginning at 10 a.m.

Chairman Dick McHugh announces there will be prizes and favors for all the children. Free rides, races, games, dancing and swimming are scheduled.

Free tickets to all members of the Westlake Catholic Men's and Women's Club have been sent in the mail. Guest tickets at \$1.50 per family may be purchased at the gate or by calling George Snell, PL 6-3480, or McHugh, PL 5-5735.

TESTIMONIAL DINNER FETES RABBI SHORE

Friday night services at Congregation B'nai Israel on May 13 will be held in honor of Lag Bomer, a holiday commemorating one of the many struggles in Jewish history. The Congregation headquarters is located at 67 Los Banos avenue in Daly City and services begin at 8:15 p.m. Rabbi Solomon A. Shore will officiate and his sermon topic will be "Our Struggle With Rome." Hostesses at the Oneg Shabbat (social hour) will be the Meses, Bernard Abram and Morton Dobrow.

President of the Congregation, Irving Podolsky, takes great pleasure in inviting the community to attend a testimonial dinner in honor of Rabbi Shore. The event will be held on Saturday, May 21, at International Inn, South San Francisco.

Main speaker will be Rabbi Bernard Ducoff, Executive Director of the Bureau of Jewish Education, and the evening will also feature dignitaries from Daly City and neighboring communities. Reservations at \$3.50 per person may be made by calling the Temple Office, PL 6-2039 before May 15. Chairman of the event is Werner Snyder who invites all interested residents to attend.

St. Vincent de Paul Nears SF Milestone

The Society of St. Vincent de Paul will begin the celebration of 100 years in San Francisco and the Bay Area with the Western Regional Conference, May 20-22.

Centennial chairman, Robert E. Halsing, said plans for the events of the three-day meet will pay honor to the memory of the founders of the worldwide organization, Frederick Ozanam, and to his followers who continue this work for the poor and needy. The members of the St. Vincent de Paul Society are from all walks of life. They share a concern for human suffering and a passionate belief in the value of human dignity.

The work begun 100 years ago this month will be climaxed in a three-day workshop program beginning May 20. Outstanding speakers from throughout the nation will highlight the conference which will end with a solemn Mass at St. Mary's Cathedral on Sunday, May 22, and a breakfast at the Jack Tar Hotel where C. Harold Caulfield will speak on "The Challenge of the Future," followed by the right Rev. Monsignor George H. Guilfoyle, Executive Director of Catholic Charities of New York City. Closing remarks will be by His Excellency, the Most Rev. Hugh A. Donohoe, D.D.

DeMartini To Lead Sea Scout Ceremony Here

Frank De Martini, a Westlaker and member of the Daly City Library Commission, will officiate at the change of command ceremonies by Sea Scout Ship 248 of Daly City, the end of this month at Westlake Improvement Association Clubhouse.

De Martini is the Institutional Representative for the Daly City Sea Scouts, and also for the Cubs, Boy Scouts, and Explorer Posts in the area.

These units, all numbered 248, are sponsored by the Westlake Subdivisions Improvement Association. The duties performed by De Martini as institutional representative are mainly in the field of liaison in matters concerning the relationship between the Scout units and the WSIA.

The change of command will take place when Jay F. Irick, Westlake Bank of America executive, relinquishes his post as the Sea Scout Skipper to Robert Gunthorp, a local executive with the Bankers Life Company, and who has been the Mate of the Ship for almost three years.

In addition to the change of command, which will follow the ancient ceremonial patterns, there will be two new ship's officers appointed. Darryl Deinhard will be commissioned a Mate and appointed Acting Executive Officer, and Frank De Martini Jr., will also be commissioned as a Mate and appointed as Ship's Second Officer.

Bruce Wilson will be appointed Boatswain to fill the vacancy created by promotion of De Martini Jr.

BOATS IN SPOTLIGHT

More Than 100,000 Spectators Expected For Big Westlake Show

More than 100,000 sports enthusiasts next week are expected to attend the fifth annual Westlake Boat and Vacation Show.

A record number of exhibitors have announced plans to display a wide variety of boats, water sports accessories and vacation equipment for the six-day event in the Westlake Court at Westlake Shopping Center.

The show will feature pleasure boats of all sizes and classes. One of these will be a 19-foot drag boat with a 700 horsepower drive and a capability of 95 miles-an-hour over a quarter-mile course.

The boat, on a Mandella fibre glass hull, is a product of Unlimited Marine Supply of South San Francisco and has been featured in Hot Rod magazine.

There will be sail boats, large pleasure cruisers, runabouts and car-top boats. And there will be vacation trailers, camping units mounted on pickup trucks and a station wagon that quickly and easily converts

to a spacious over night shelter. Also on display will be a small but rugged motor scooter built exclusively for the sportsmen.

Called a Tote Gote, the scooter has a top speed of 10 miles-an-hour but will crawl over logs, through sand and mud and up grades that stymie other vehicles.

The Tote Gote display will feature movies showing the scooter in action hauling big game out of the wild areas of Utah and Northern California. Another special exhibit will be a two-ton miniature amphibious unit to be displayed by the U. S. Marine Corps.

A booth stressing safety in water sporting will be set up by the U. S. Coast Guard Power Squadron and store windows will carry travel displays in line with the holiday theme of the event.

The show, sponsored by the Westlake Merchants Association, will open Monday and will continue through Saturday. Hours will be from 10 a.m.

ORT Chapter Installation At Hyatt House

Northern Peninsula Women's American ORT invites members and friends to its annual installation of officers on Saturday, May 21, at the Hyatt House in Burlingame.

Following lunch at noon, attorney Louis E. Wexler will install these officers:

President, Mrs. Joseph Cooper; Vice Presidents, Mrs. Eugene Cohen and Mrs. Frank Koplowitz; Recording Secretary, Mrs. Charles Grubstick; Financial Secretary, Mrs. Moise Silber; Corresponding Secretary, Mrs. Mel Eisenberg; and Treasurer, Mrs. Frank Bernstein.

Regional President Mrs. Kurt Goldstrom will address the officers. Mrs. Frank Gold is in charge of arrangements and mistress of ceremonies.

The show, sponsored by the Westlake Merchants Association, will open Monday and will continue through Saturday. Hours will be from 10 a.m.

'Patch Pulling' For Charity By Lutherans

Patch pulling for charity will be one of the highlights of the May 17 meeting of the Westlake Lutheran Women, at the home of the hostess Mrs. Betty Tibbitts, 272 Lincoln Avenue, Daly City, at 8 p.m. The money from the unveiled charities apron will be used to purchase cut yardage with which the women will make clothes for foreign missions.

A brief jubilee service will be celebrated and a special offering taken which will be contributed to the interim fund. This fund will cover such expenses as workshops, conventions, salaries, and printing until the merger into the American Lutheran Church is completed. Mrs. Marge Pedegro is in charge of the program. The fifth Bible study in the book of Mark will be presented by Mrs. Jackie Hansen. Reports of the recent Evangelical Lutheran Churches, California District Women's Missionary Federation convention will be given by Mrs. Bernice Oldaker and Mrs. Ruth Hodgskiss.

All women attending will make favors for the grade roll party to be held June 11 at 10 a.m. at Westlake Lutheran Church, 222 Avalon Drive. This annual event is given for all children of the church, age 3 years and under. Chairman Mrs. Millie Ross has announced she has planned special "kiddie" entertainment and refreshments. Further planning of the July 31 barbecue will be discussed at this last meeting before summer recess.

Over 70 mothers and daughters attended the banquet given in their honor May 1 at the church and enjoyed dinner and the program. Corsages were presented to Mrs. Tourvand, 70, for being the oldest mother in attendance, and to Christine Hodgskiss, 16 months, the youngest daughter.

The Ha-Mu-Wo Camp Fire Girls from Thomas Edison and Abraham Lincoln schools held a tea Saturday afternoon, honoring their group's sponsors, who are Mrs. Norman Pomeroy and Mrs. Mary Moresco, and the girls' mothers. The tea was held at the home of their guardian, Mrs. E. E. Draves, 11 Eastwood Avenue, Daly City.

Members of the group include Marilyn Bertling, Susan Lester, Phyllis Axt, Christine Draves, Dorothy Huff, Connie Moresco, Kathryn Pomeroy and Hazel Deacon. Mrs. Gerald Lester is assistant leader.

BEGINS THIS FRIDAY

'United Nations' Theme Prevails For St. Thomas More Bazaar

The St. Thomas More Church Bazaar begins this Friday, May 13, at 3 p.m. and will continue through Sunday, May 15. It will be held on the parish grounds at 1300 Junipero Serra Boulevard.

The theme is "The United Nations" with each of the twelve booths representing a particular country.

Each of the booths will be colorfully decorated with posters and flags from the various countries and the persons working in them will be garbed in costumes pertinent to the country represented.

There will be games and prizes designed to suit all tastes. These can be found at a variety of booths, such as children's, dolls, cakes, jarro, needlework, records, groceries, etc.

A parade will be held Friday, May 13, at 6 p.m. to highlight the bazaar activities and will begin at Lake Merced and Font Boulevard, continue along Font to Chumadero, over Stanley Drive to St. Thomas More Way.

Army Recruiter Here Announces Three Enlistees

SFC Tom Scannell, Army recruiter in Daly City, reports three local youths enlisted in the Army under the terms of the "Choose It Yourself Program." After completing basic training, they will enter a specialized field of their choice.

The new recruits are Anthony P. Balestrieri, son of Mr. and Mrs. James B. Balestrieri, 401 Crocker Avenue, Daly City; Robert J. Johanson, son of Mr. and Mrs. Robert Johanson, 171 Vista Grande Avenue, Daly City; and Fabio T. De Guzman, son of Mr. and Mrs. Augie De Guzman, 623 San Mateo Avenue, San Bruno.

Men interested in Army opportunities should contact Scannell at 6705 Mission Street, Daly City, or call PL 5-6300.

and on up to the tent on the church grounds.

The parade will include "The Elephant Train" from the zoo, thirty accordionists from the California Institute of Music, a 1927 Rolls Royce owned by Tommy of Tommy's Joynt, and other attractions. Free balloons will be distributed to the youngsters.

The public is invited to join in the fun.

The bazaar tent will be open from 3 p.m. until midnight Friday, 1 p.m. to midnight Saturday, and 10:45 a.m. to midnight on Sunday.

Daly City Pair Lead Planning For ORT Event

Representing the Northern Peninsula Chapter, Women's American ORT (Organization for Rehabilitation Through Training) is Mrs. Arthur Hecht of Daly City who with representatives of the five other Peninsula chapters of ORT that comprise the Peninsula Region, are working on plans for the "Clock Dance" to be given on June 25 at Temple Beth Jacob in Redwood City from 9 p.m. to 1 a.m.

Mrs. Julius Geller of Daly City is co-chairman with Mrs. Bertram Solomon of Burlingame who is chairman. Members of the Northern Peninsula Chapter are working with the Central Peninsula and San Jose chapters in arranging for food for the evening, which promises to be an outstanding one with Ray Hackett's orchestra providing the music. Mrs. Kurt Goldstrom of South San Francisco is regional president. Proceeds will aid the EPIC (Earning Power Improvement Courses) program of ORT, the latest addition of improved apprenticeship training.

MODERN ARCHITECTURE

Industrial Products Building Taking Shape For County Fair

Construction activity at the San Mateo County Fair grounds is attracting the interest of building authorities and editors from all over Western United States as the new Industrial Products building begins to take shape.

Of particular interest to the builders and construction magazine editors is the technique for construction of the 100-foot long "barrel vault" or shells which are new being stored on all of the available space at the fair grounds on South Belaware Street, San Mateo.

When all 22 of the shells are completed, they will become the roof of the new 40,000 square foot building scheduled for completion by mid-July, in time for the annual nine-day Fair and Fiesta beginning August 5.

The "lightweight" pre-cast shells weigh 80,000 pounds apiece and require special skill and handling as they are removed from the giant forms which are located in a specially built "casting yard" on the fair grounds.

Roof construction of this type is still relatively new, according to Janssen, Dasking and Keller of Menlo Park, architects on the \$1½ million building project. Pre-casting shells of this length and weight is made possible by the development of new techniques as well as new and stronger materials. The shells are only 3½ inches thick, yet they have a strength of 3750 pounds per square inch, compared with 2500 pounds per square inch of standard concrete. W. A. Moroney Construction Company of Burlingame is the building contractor.

One of the major problems associated with the new type roof construction, the architects point out, is finding people with the required skill and heavy equipment to move the shells safely off the forms and later onto the building.

One of the few firms equipped to handle the work is the Independent Iron Works of Oakland which received a \$17,000 contract for this phase of the project.

Chief advantage of a roof of this type is that it offers maximum protection against fire. It also is actually cheaper to construct and offers greater strength.

The distinctive new building, which will be featured in several magazines during the next few months, will house the Fair and Fiesta's first full-scale Industrial Products Show.

BOBCAT PINS AWARDED BY CUB PACK 244

Cubmaster Bob Dumont and assistant Sam Chervellera on May 5 at Pack 244's meeting at Colma School awarded Bobcat pins to David Padilla, Rodney Moore, Stanley Cuneo, Gregory Solari, Ronald Van Houten and Steve Powell.

Last month, Bobcat pins were given to Steve Blackmore, Steve Heneise and Ritchie Ricetti. Den mothers for these boys are Sue Bertini and Opal Blackmore. Mrs. Cuneo is assistant den mother to Mrs. Bertini.

A film about weather was shown to the boys by a PG&E representative.

Cub Pack 244 is sponsored by the Daly City-Colma Lions Club.

Girl Scouts-- Interested In Flying Lessons?

A council-wide Wing Scout Troop will be formed if enough Senior Girl Scouts are interested in learning to fly. There will be a special instructor in charge who is versatile in the field of aeronautics. She will teach her students from the ground up.

This was one of the projects under discussion at last Monday's Daly City-Colma district meeting. Mrs. Violette Brown, Girl Scout district chairman, said any interested seniors may contact her at PL 5-3055 for further information.

Approximately \$13,500 profit was realized from the recent Girl Scout cookie sales. This amount was earned by the whole North San Mateo Council and will be used mainly for the care and maintenance of permanent Camp Sonora and the day camps nearby.

It was announced that there will be a meeting of parents of girls who will attend Camp Sonora, on June 9, 7:30 p.m. at Daly City War Memorial building.

The Brownie Revel by 100 Broadmoor Girl Scouts will take place at the Garden Village School playground on May 21 from 10-1.

More than 300 Girl Scouts will participate in a Folk Dance Festival at Marchbanks Park on June 4, from 11-3. Mrs. June Strong is acting as dance instructor for the 12 dances to be performed. Mrs. Mil Kraus is chairman of the event.

Mrs. Zella Heneise, in charge of Junior High activities, announced that the senior farewell banquet will be held May 22, at Green Hills Country Club.

There is need for several Girl Scout publicity writers and anyone who is interested may contact Mrs. Servat Ojakian, PL 5-2809.

Heart Disease Authority To Speak At Villa

Dr. Meyer Friedman, director of the Harold Brunn Institute at Mt. Zion Hospital and a leading investigator of heart disease, will be the featured speaker at the ninth annual meeting of the San Mateo County Heart Association on Wednesday, May 25.

The association and its guests will meet at the Villa Hotel, San Mateo, with George H. Clinton of Belmont, chairman of the board of directors, presiding. Dr. Leo S. Bell, outgoing president of the association, will introduce Dr. Friedman.

Friedman has become well-known for his work on the effect that high levels of blood fat have on hardening of the arteries and for the relationship of stress to arteriosclerosis.

The annual meeting and dinner are open to the general public. Reservations may be made by contacting the San Mateo County Heart Association, 181 Second Avenue, San Mateo.

SPEAKS HERE MAY 19

World Authority On Literacy Guest Of Daly City Ministers

Dr. Frank Laubach will speak Thursday, May 19, under auspices of the Daly City Ministerial Association, at Westlake Community Baptist Church. The meeting will begin at 7:15 p.m.

Laubach is the world's leading authority in the field of literacy and has worked with governments and other agencies in ninety-two countries. His latest book is "The World Is Learning Compassion," a survey of international philanthropy and foreign aid.

During his lifetime, Dr. Laubach has been traveling the airways and seaways and dirt roads of this globe, across continents and oceans into those areas of the world inhabited by the underprivileged illiterate.

Laubach has spent 30 years with the "Silent Billion"—those who cannot read. He says, "Their real tragedy is that they have no voice in public

affairs, they never vote, they are never represented in any conference, they are the silent victims, the forgotten men, driven like animals."

Laubach's missionary career began in the Philippines in 1915. A few years later he worked out the first of the now world-famous picture-word literacy charts. As the result of Dr. Laubach's teaching methods, more than 60,000,000 people speaking 200 different languages and dialects have learned to read in their own language or dialect.

BLOODMOBILE AT PACIFICA FOR DONORS

The City Council of Pacifica has proclaimed this week as "Blood Bank Week."

The use of the Sea Bowl and its parking lot was obtained through the generosity of Hal Duncan, owner of the bowling alley. Cookies will be given by Mrs. Frederick Lucas' Girl Scout troop 192, and bread, butter and coffee by local merchants. The drive will be manned by the sponsoring club, the Mizpah Fellowship.

The newly appointed mayor of Pacifica, Harold Feyge, declared: "From past experience with the fine results obtained from the Blood Bank, I certainly urge all Pacificans to contribute who are able to do so."

The Bloodmobile will be at the Sea Bowl Friday, May 13, from 3-7 p.m. Phone FLanders 5-2373 for an appointment.

Blind Babies Foundation Sets Benefit

The annual chuck wagon dinner given by the Women of Variety will be held Sunday, May 15, at the Surf Club on Great Highway at the Beach, starting at 5:30 p.m.

Women of Variety is a fund-raising organization for the Variety Club Blind Babies Foundation. The Foundation provides counseling and guidance to approximately 200 pre-school blind children and their parents.

All food for the chuck wagon dinner is contributed, prepared and served by the Women of Variety as volunteers.

Tickets for this affair, at \$3.75 each, may be had by contacting Mrs. Bernie Mannheim at SE 1-9121 or Mrs. Clarence Leathurby at OV 1-1295.

FRONT WHEELS

One of the places the car owner usually forgets to inspect for possible need for lubrication is the front wheel bearing, points out the National Automobile Club.

It is true that when well packed this point rarely needs further attention for a considerable period, but this very fact causes many motorists to overlook it entirely for months longer than is good for its efficient operation.

INVITATIONS FOR
BIDSCENTRAL
ADMINISTRATION AND
EDUCATION CENTER

Notice is hereby given that the Jefferson Elementary School District, an elementary school district, San Mateo County, California, will receive complete bids for furnishing all labor, material, transportation, plant and services for construction of the Central Administration and Education Center and all appurtenant facilities on public school property in Daly City, San Mateo County, California. Each bid for the project shall be in accordance with the plans, specifications and other contract documents for the project.

Copies of the plans, specifications and contract documents are available at the office of the Architect, Angus McSweeney, Inc., 2960 Van Ness Avenue, San Francisco, California, where they may be examined and copies obtained by General Contractors licensed by the California State Contractor's Bureau. Plans, specifications and contract documents may be obtained upon a deposit of a certified check in the amount of \$50 for each set. The deposit will be refunded upon the return of such copies in good condition within five days after the bid opening.

Bidders are responsible for examining the contract documents to assure a complete set. Bidders are hereby notified that the wage scale prevailing in this area, and set forth herein and in the contract documents, has been adopted by the School District as the rates which shall be applied to the project. The wage rate applicable for a craft not herein listed shall be the rate prevailing for such craft adopted by the San Mateo Building and Construction Trades Council.

Bids shall be made on the forms included in the specification and shall be accompanied by a certified check or bond for ten (10) percent of the bid amount. The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded to him. Kids At Vista Mar Building 'Electric Brain'

Electronics is the theme in Mrs. Kathryn Gerdes' fourth grade at Vista Mar School in Daly City. These boys and girls, hard at work on a Social Studies unit, "California Today," are constructing an electronic brain.

Several committees are planning and building a scale model map of California. The map key, listing important points of interest in California, will be listed on one side. Another committee will electrically connect the location names on the key to the proper place on the map. When a button is pressed on the key a light will go on indicating that the proper circuit has been made between the key and the place on the map.

A wide variety of experiences are enjoyed by the children in project such as this. Tools in varying intricacies, from screw drivers to electric drills, are masterfully used by these fourth graders. Dimensions and measuring to a fine point are important correlates. Written reports will be made covering each step of the project.

This provides excellent introduction to geography and map study. The children will be learning all of the cities, mountains, and rivers in California. Each child in Mrs. Gerdes' room is interested in some phase of the electronic brain and all are contributing energetically to a successful completion of a most worthwhile project.

Tool Box Lost In St. Francis Heights

Sett Sam Casini, 38, 2310 Isabelle street, San Mateo, told Officer Jim Sunderland that \$400 worth of tools were stolen from him last Friday at 4:45 a.m.

Casini said he finished making a service call at 375 St. Francis boulevard and left his tool box on the sidewalk. He got in his truck and drove approximately two blocks before he remembered the tools. He returned and they were gone.

DRIVERS' LICENSES

There were 7,961,219 drivers' licenses outstanding in California as of January 31, 1960, according to the National Automobile Club.

This was 402,437 more licenses than were outstanding as of January 31, 1959.

San Francisco's Appraisal City is a 32-acre, \$5,000,000 development, in the southern Potrero District.

RECEIVING awards from the Rt. Reverend Monsignor Egisto Tozzi of South San Francisco, at the annual awards banquet of Serra Clubs of the Peninsula, held in San Mateo, are: (left to right) Mark Cleary of Our Lady of Mercy School, Daly

City; Joan Sadler of the Church of the Good Shepherd, Pacifica; and Nancy Ellis of Holy Angels School, Colma. Miss Sadler, a grand prize winner, is shown receiving the grand prize from Monsignor Tozzi.

HOLY ANGELS' TRIBUTE TO ITALY PASTOR

Colma Branch No. 19 of the Italian Catholic Federation has planned an open house to meet Father Giulio Fagnani, on Sunday, May 15, in Holy Angels Parish Hall from 2 to 4 p.m. Father Fagnani is pastor of the Parish of Pedona, Italy, and is currently visiting relatives and friends in the Bay Area. Friends and parishioners are invited to attend. Chairlady for the affair is Julie Landi.

Man Finds Bullet In Hub Cap Of Car

Patrick J. Doyle, 97 Menlo avenue, told police that a .22 caliber bullet had been fired through his hub cap and was caught in the rim of his wheel last Friday at 6 p.m.

Officer Tom Culley inspected the hub cap at 6501 Mission street where the car was being serviced. The shattered pieces of bullet were placed in the police station safe. Doyle said he didn't know where the bullet came from or when the incident occurred.

NEW DRIVER CLASS SLATED

The South San Francisco High School Division of Adult Education will begin a new driver education and driver training class on May 17. Citizens interested in study to obtain their drivers license are urged to enroll. Classroom instruction will be held on Tuesday and Thursday evenings from 7 to 9:30 p.m. Driving lessons in a dual-control automobile is included in the course and will be arranged by appointment. All driving permits will be issued by the school when registration takes place.

Registration can be made by phone or in person at the South San Francisco High School office after 7 p.m., Monday through Thursday evenings.

Part-Time Job Affect GI Schooling Pay?

Q—This fall I plan to take a pre-med course under the Korean GI Bill. I've been working in a drug store and my boss wants me to go on working for him, part time. Would the part-time earnings affect my GI school allowance in any way?

A—No. You may earn any amount at all in your spare time, without having your school allowance reduced. Veterans at school don't even have to report outside earnings to VA.

Q—I am 21 years old, eligible for training under the War Orphans Education Act, but I never finished high school. Would that keep me from taking courses under the War Orphans program?

A—No. Graduation from high school is not a requirement for War Orphans Education Act training. A young man or woman who quits high school may be eligible under the program.

Q—What kind of papers or other credentials do I need to take with me when I go to a lender to apply for a GI loan?

A—You will need only the Certificate of Eligibility which shows you are entitled to apply for a loan. This Certificate of Eligibility may be obtained from any VA regional office.

Q—My World War II GI term insurance is getting pretty expensive for me and I'd like to convert to a permanent plan but do not feel I can afford to convert all at once. Could I convert, say, \$2000-worth now, and the rest later?

A—Yes. As long as you convert at least \$100-worth, and your additional amounts are in multiples of \$500, partial conversion of your GI term insurance is all right with VA.

Plumber Tries Hanging Self In Police Cell Here

Two hours after being arrested for being drunk and creating a disturbance, John Joseph Ferrari, 42, 238 Crocker avenue, assertedly attempted suicide in a Daly City police station cell Friday, April 29.

The plumber was picked up at the Wit's End Cave, 6055 Mission street, by Officer Matthew Murray. Ferrari told Murray he had lost a quarter at the bar. Murray said Ferrari became belligerent, loud and insulting. The officer told Ferrari to go home. The man's answer was, "I'm going to tear the bar apart."

Murray gave Ferrari the ultimatum of either going home and sobering up or being booked. The officer said Ferrari chose the latter.

Officer James Sunderland made a routine check of the prisoner at 7:30 p.m. He called Murray and Sergeant David Hansen when he found Ferrari lying on the floor unconscious. The arrested man had ripped a length of cloth from one of his two blankets. One end was fastened around the bars, the other looped about his neck.

Policemen doused water on Ferrari to revive him. He was handcuffed and transported to Junipero Serra Hospital where a 72-hour hold was placed on him. He was later transported by M&D Ambulance to the Community Hospital psychiatric ward.

Sergeant Hansen said, "The suicide does not appear to have been a sincere effort." The added charge of destroying jail property was added to the report. Bail was set at \$52.50 cash or \$105 bond.

OWNERSHIP OF AUTOMOBILES

Nearly three out of four families in the United States own automobiles, according to the National Automobile Club.

Auto Crash Victim Conscious After Three-Day Vigil

Robert S. Baumann, 29, 82 Belmont drive, suffered skull fractures after crashing into a parked 58-foot-long van truck last Thursday at 6:45 a.m. on Junipero Serra boulevard near Westlake avenue.

Baumann was brought to Junipero Serra Hospital by M&D Ambulance and later transferred to St. Luke's. Authorities there said he had been in a semi-conscious state for three days. As of Monday, he knew where he was but the effect the broken bones may have had on him was not determined.

Officer James Doran said Baumann's 1960 station wagon was totally demolished when the front of his vehicle burrowed under the over-hang of the trailer. The trailer had been parked earlier by Ronald Lee Renfro, 2052 South Woodrow avenue, Fresno, who was sleeping at the Serra Motel across the street.

Cause of the accident is not known though Doran believes the auto salesman may have fallen asleep at the wheel. Daly City firemen had to pry the car's door open to get Baumann from behind the wheel.

The Junipero Serra Hospital preliminary report also listed injuries as a laceration on Baumann's lip, a deep cut on his left knee, and cuts and bruises about the face and hands.

'Skills Day' At Searsville

Last weekend, nine Senior Girl Scouts from Mrs. Allan Mori's Troop 24 attended a Skills Day at Searsville Lake, hosted by the Sequoia Council.

More than 150 Senior Scouts from three councils—Central, North County and Sequoia—had an enjoyable two days performing various camping skills on a competitive basis.

Mrs. Mori's Daly City-Colma Troop came in fourth place in the competition. There are two senior troops in the Daly City-Colma area—Troop 24, under the leadership of Mrs. Mori, and Mariner Ship 13, under the leadership of Mrs. Ralph Damon.

Interested girls are asked to contact these two leaders.

City Of Hope Volunteers To March June 1

If you want a job done, ask a busy person to do it, has long been recognized by volunteer organizations. In the case of the current fund drive for the City of Hope, this axiom once again proves true.

Mrs. Maurice Schechter, mother of five children ranging from six to 18 years of age, is heading up the Peninsula group from Millbrae on the north to Mountain View on the south. Both Mrs. Schechter and her husband have given unstintingly of their time and effort in behalf of the City of Hope Medical Center.

Mrs. Schechter will supervise approximately 6500 "marchers" on June 1 when they will call upon their neighbors asking for contributions.

On the Northern Peninsula, Mrs. Schechter's counterpart is Mrs. Louis Mann of South San Francisco. Mrs. Mann has two teenage children. She has spearheaded the drive on the Northern Peninsula for the last five years (Daly City, Westlake, South San Francisco, San Bruno, Colma and Pacifica). She is well known for her many civic activities which include membership in the South San Francisco Citizens Plan Committee.

Mrs. Mann will have more than 2000 women marching in her area on June 2. She said that "each dollar given might be the dollar that pays the cost for the research that will result in the finding of the cure for such diseases as leukemia or cancer." She further stated that "if everyone could visit the City of Hope and actually see how it operates, they would be inspired and would join with countless others who have taken this organization to their hearts."

Westlake Cancer Drive Chairman Dies Of Cancer

Mrs. Lorraine Ward, Westlake District Cancer Society Chairman, died of cancer at Oak Knoll Hospital Saturday, April 30.

Mrs. Ward, 33 Huntington avenue, Westlake, was operated on last year for cancer and died of the dreaded disease when she suffered a re-occurrence. Church services were held at Our Lady of Mercy Church and the remains were shipped to Everett, Washington, her home town. Her husband, Edward, flew to Everett for the last rites.

Friends of the woman completed the Westlake drive. Mrs. Ward was in her early 40's.

Jeff High PTA Sends Trio To State Convention

"We Open the Door to New Frontiers for Children and Youth" was the theme for the 51st annual convention of the California Congress of Parents and Teachers (CCPT), held in the Civic Auditorium, San Francisco, last week.

Five thousand men and women delegates from all parts of California attended the three-day meeting.

The three principal addresses were by: Arthur Corey, executive secretary of the California Teachers Association, who spoke on "Education for Leadership in a Free Society," "The Shape of Things to Come," by John Furbay, and the Rev. Kenneth Carlson, minister from Santa Monica, "Lining Your Home With Living."

Jefferson High School PTA's president, Mrs. Joseph Kusber, and publicity chairman, Mrs. Harry Ojakian, vice president, Mrs. Mendel Plansky attended as delegates from the Daly City unit. A report of their findings will be given at the PTA meeting this Thursday at 8 p.m. in the school cafeteria.

All parents and friends are invited to hear "Student Government in Action."

'Night At Harold's Club' Name Of B'nai B'rith Dance

San Francisco Lodge No. 21, B'nai B'rith, will present "A Night At Harold's Club" this Saturday from 8 p.m. to 2 a.m. at the San Francisco Rowing Club, 304 Jefferson street, at Fisherman's Wharf.

The \$1 donation goes toward B'nai B'rith philanthropies. David Dworkin says the informal affair features dancing to the grand dance orchestra, refreshments, games and a romantic atmosphere. For tickets or information contact Dworkin during the day at UN 1-9980 or evening, LO 6-4515.

Daly City Requests Hundreds to Share Celebration Planning

Individuals and groups who wish to help in planning Daly City's big fiftieth birthday week celebration next spring are urged to attend a meeting at City Hall, 75 Wellington avenue, at 8 p.m. on Wednesday, May 18.

Chairman Arthur J. Bodien promises there will be committee assignments "for all persons who help in this project to promote Daly City as one of the most progressive cities in the Bay Area."

Mayor Frank Pacelli and the Chamber of Commerce have pledged full support for the festivities, tentatively scheduled for May of 1961.

JEFF F-S NINE MOVES UP BY BEATING RAMS

Bob Miller used excellent control, not walking a man, and striking out 12 Westmoor Frosh-Soph batters to lead Jeff to a 3-1 win at the Indians' diamond last Friday.

The victory moved Jeff into a first place tie with the San Mateo nine.

Miller allowed but five hits, while loser Harry Brown gave up three. Brown walked four and fanned six. Darwin Haanen scored the first Jeff run in the second inning. Haanen walked, reached second on an error, stole third and scored on a fielder's choice play.

Two more tallies reached the scoreboard the following inning. Dan Luciano singled in a run and Brown's error allowed the third. Westmoor broke the shut-out in the sixth, two singles, an error and catcher Bob Simons being hit with a pitched ball forcing the run across.

Rain Cancels Open Date Of Daly City Parks Baseball

Seventeen teams were rained out of play in the Department of Parks and Recreation's 1960 Midget Baseball Leagues on Tuesday, May 3. Because of the increased number of entries, it was necessary to split the league into a National and American League division.

Games will be played at Marchbanks and Westlake Parks on Tuesday, through Friday evenings at 6:15 p.m.

Wednesday night action found Parkmerced and Tower Market battling extra innings to a 3-3 tie. The game was called because of darkness. Phil Hanna of the Marketers went the distance, allowing 5 hits while striking out 12 batters in National League play.

Baton Twirlers Perform Friday

More than 100 girls from baton twirling classes sponsored by the Department of Parks and Recreation will join together to present a twirling exhibition at Daly City War Memorial Community Center Friday evening, May 13, at 7:30 p.m.

The show is free to the public.

Rich Mortola, Karl Keeling Lead Jefferson Hit Attack

Jefferson's baseballers are led by the percentage hitting of Rich Mortola and Karl Keeling. Both tote .500 batting averages. Mortola has been at bat more times than Keeling, however. Keeling has drawn 10 walks for top honors in that department.

SS MORALES LEADS WESTMOOR HITTING

Rich Morales continues to lead Westmoor's baseballers with the bat, keeping consistently around the .425 mark. His league average is .423 while he has clouted .426 through all games. Ed Walthard leads in runs-batted-in with 10. Last season he hit but .192 while this annum he's clubbing at .333. Biggest disappointment thus far is All-PL second baseman of last year Jim Heick. Heick is the low batter on the Rams list.

Barry Krohn and Don Katona are one-two in pitching with little to choose from as far as records go.

Striped Bass Fishermen Can Snare Bonus Of \$5 By Hook

Striped bass fishermen will once again get a crack at bonus \$5 bills when they fish for strippers this year.

The Department of Fish and Game has announced it will again affix \$5 reward tags to some 250 strippers in the San Francisco Bay and Delta areas to stimulate return of tags to the Department.

The money to pay for the reward tags was supplied by Alameda and Contra Costa Counties at the request of local sportsmen.

This year the tags will be in two color combinations—yellow with black lettering and white with red lettering. All tags, including those which do not indicate a reward, should be returned to the Department of Fish and Game, 722 Capitol Avenue, Sacramento.

Purpose of the tagging program is to gather information on striped bass habits and migrations. This data will aid in the continuing effort to protect this fishery from pollution and other threats.

One non-reward tag placed on a stripper earlier this year has already been turned in. The honor of catching the first tagged stripper of the year went to M. L. Duncan, 2816 22nd street, Sacramento. His fish, which was tagged near Antioch, was caught near Clarksburg. It weighed 4 pounds 2 ounces and was 21½ inches long.

Westmoor Now Two Full Games Ahead; Jeff Loses Tilt

Westmoor moved two full games in front of the Peninsula League baseball pack by banging 18 hits Tuesday to defeat San Mateo, 9-5.

Hillsdale snuck by Jefferson, 3-1, to give the Indians a 5-3 mark and leave them 2½ games back in fourth place.

In the only other contest, South City squeezed by Mills, 2-1.

Third Delay For Cap-Jeff Game

When Jeff's baseballers meet Capuchino, on May 31, banners may fly.

For the third time the game was postponed last Wednesday. The first two times rain washed the tilt out. Last week both teams held extensive drills while waiting for umpires. The men in black didn't arrive by 4 p.m. so the Indians clambered aboard a bus and rode home.

Westmoor also had umpire trouble, but one showed up to allow them to beat Hillsdale, 9-1.

HOPING to improve their marks are Jeff High thinclads Ted Marquez, of the Class B's, and Anibal Davila, of the varsity. Marquez has journeyed the 660 in 1:31.1. Coach Bob Watt expects Davila to break Jim Reeter's mile timing of 4:33.8 for a school record. Davila has been clocked at 4:34.0, only two tenths of a second behind the best saunter.

WESTMOOR CATCHER Ed Walthard had 3 for 4 against Jefferson while his teammates coasted to a 9-0 victory. Ed scored twice and drove in two runs. He is batting .353 for the season. .333 in league play. THE RECORD photo

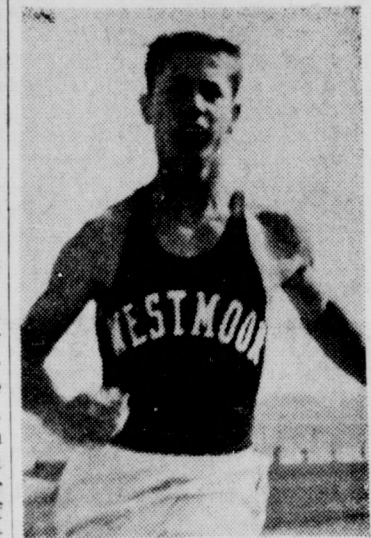

Track Authority Has Words Of Praise For Dave Dunbar, Ribera

Westmoor Coach Ernie Ribera, who helped develop Dave Dunbar into an outstanding college prospect, can now sit back and be pleased with the results.

Dunbar, now a San Jose State College freshman, ran the third fastest college frosh 880 in the nation last Friday at the All Corner's meet at Fremont High School in Sunnyvale.

Fran Errota, co-editor of the International Track and Field Magazine Prep Edition, strongly believes that Dashing Dave could be a national track threat by the time he reaches his senior year.

Dave had the fastest 880 in the nation for a high schooler last year, 1:53.2, while competing under the rugged pressure of a state meet. Don Bowden, formerly of Lincoln High (San Jose) has the best California mark, 1:52.3, set in 1954 for the prep 880. Tom Carroll, of Fordham, New York, glazied at a 1:50.6 in 1957 for the best ever time.

DAVE DUNBAR ... Future Great?

SPORTS SPIN

By LOU LUCIA

FLYING JETS ISN'T SO HARD: Ram baseball Coach Rod Losberger flew F-80 jets during the Korean conflict. Now he jockeys the Westmoor nine and no doubt wonders which is harder. He skinnily states, "I lose about three pounds during a baseball game."

MILLER GETS HELP FOR FUTURE: Hilltop Frosh-Soph Coach Roger Miller is still looking for a second pitcher to go along with consistent winner Harry Brown. Miller has a head-line biller. His wife gave birth to their second child, a son, 8 pounds 2 ounces, last month. Roger figures the "new" Miller isn't even "dry enough around the ears" yet to take over mound duties.

IS THIS RESERVE DUTY?: Mike Kennedy caught the first game for Jeff against Westmoor and was supposedly a replacement for Ed Crowley who had stepped barefoot on glass. Kennedy has been catching ever since, and done very admirably, as infection set in Crowley's foot. Big Ed is expected off the shelf anytime now to give the Indians two strong receivers.

THERE'S NO COLLUSION: Mrs. Harry Krohn stepped into the newspaper's office last week and told us her maiden name was Lucia. We told her the name sounded familiar but we don't have any relatives by that name, excluding our immediate family. If you noticed Barry (almost Lucia) Krohn has had his name and picture in this paper a number of times it is purely by his own efforts. Go get 'em brother. Errr, the "brother" is simple colloquial language.

IT'S ALL LOGICAL WHEN ANALYZED: A recent Jeff High afternoon baseball game was rained out so where did Coach Steve Mezzera spend the evening? In the Jeff pool, natch. But it's logical, he directs there one night a week. Let's change those words from "dust unto dust" to "water unto water."

MEASURE EACH BY HIS OWN: Indian track Coach Bob Watt measures his charges not so much by what they do as the improvement they show. No coach can ask more than an athlete giving his best and showing a better mark each time out. We don't know how personable Bob grades but could well imagine that some of the Jeff lads have a climbing range of grades. We refuse to mention the decelerators.

SECRET OF SUCCESS: What's the key to Westmoor's lofty position in the Peninsula League baseball race? We believe it's making the opposition get legitimate runners on the paths. The Rams have only committed five errors in the eight games. In addition, Hilltop pitchers have walked but 14 men in a total of 56 innings. That's an average of less than 2 per game, a record even a major league hurler would be proud of.

HONORABLE ELOYRY TRY TO SAVE FACE: Pittsburgh Pirate ace relief pitcher Eloyry Face may be shouting "banzai." Face won 18 ball games last year while losing but one. His first three decisions this year were all losses. That's a bare faced fact.

RAMS TAKE OVER FIRST PLACE BY BLANKING INDIANS, 9-0

Westmoor's baseballers, at least temporarily, popped the Jefferson balloon via Barry Krohn's pin-point pitching a 9-0 shut-out at the Rams' diamond last Friday.

The win gave the Rams undisputed possession of first place, pending the outcome of the Hilltoppers tiff against San Mateo last Tuesday.

Jeff had been soaring high, beating the Rams in the opener and maintaining a first place tie with the home team. Krohn made short work of that, allowing but one runner to get as far as third base and that futile try coming in the final seventh inning.

The only hits for the Indians were Rich Mortola's el perfect to drag bunt down the third base line in the fourth; Karl Keeling's dipping fly which eluded leftfielder Terry Christman; and John Souza's skipping single over second base. All other outs were made in the infield, the Westmoor out-pasture men not getting any chances.

The only other batter to bother Mr. K was George Claus, who waited out Barry for two walks.

Montalbo, on the other hand, was a soft touch for the Rams. Just the opposite of the first meeting between the two city rivals, Stan was practically pounded at will. The Hilltoppers tallied 11 hits off him and all nine runs. Don (Slow Stuff) Staff surrendered the other two hits.

Tom McHugh scored every time he got on base. He usually started the rallies though batting in the clean-up spot. He sandwiched a double between two walks. Eddie Walthard continued his stout hitting, picking up 3 for 4 including two rbi's and two runs.

The Rams scored three times in the second frame, once in the third and clobbered Montalbo, 5; Staff, 0; Krohn, 6.

Recreation Department's Junior League Baseballers Play Openers

Department of Parks and Recreation's 1960 Junior Baseball League opened play on April 30, with 12 of the 13 entries squaring off for the pennant battle.

Patek Eklon and BYA fought a 1-0 battle with the Meat Company coming out on the long end of the score. Mike Hart, of Patek Eklon, pitched a seven hitter for the winners while Gary Davis flipped a four hitter in a losing effort.

Marty Ortwig tossed a one hitter for San Pedro Lunch as they shut out the Daly City Merchants, 10-0. Lawrence Silvestri and Jimmy Orlich picked up the only extra base hits of the day.

Art Colvin's BYA, paced by Bruce Hix and Ron Calavano who stroked three hits apiece, beat New Pisa, 7-2.

The Church of the Visitation waxed the PAL Cubs in a free-swinging battle, 18-6.

Parkmerced lost to the OLM Gaels when they failed to arrive at Jefferson field by game time. A practice game ended in a 7-7 tie.

In twilight action, the Daly City Merchants won their first game by defeating OLP, 8-4, behind the two-hit pitching of Dennis Earnshaw. Jerry Murray hit a homer and two doubles for the winners.

Fine relief pitching by Marty Ortwig enabled San Pedro Lunch to beat OLM, 9-4, for their second win. Ahead 3-1, Ortwig relieved Hoemberg, the starting pitcher, in the last of third with the bases loaded and one out. A base hit scored one run and Ortwig bearded down to get the next two hits.

Games will be played on Saturdays at 10 a.m., 12:30 and 3:30 p.m. on both Marchbanks Park and Jefferson High diamonds. Twilight games are scheduled for 6:15 p.m. on

Ram Track Men Win Final Two PL Dual Meets

Westmoor's track men finished the regular Peninsula League dual meet season by mauling Mills, 79-30, and capping Capuchino, 63-50, last week.

The Ram B's and C's made a clean sweep over both school teams.

Mills won but one varsity event and it took a new dual meet record heave of 48 ft. 10 in. by Ed Venturi in the shot put to accomplish that. Westmoor set five records during the encounter. They were: Pet Daniels, 15.8 in the 120 high hurdles; George Herbst, 51.5 in the 440; Ron Klingler, 4:52.8 in the mile; Westmoor's 880 relay team's time of 1:35.3; Dennis Chase, 11 ft. 8 in. in the pole vault; and Roger Johnson, 12 ft. 10 in. for the discus toss.

Glenn Stenstrom, in the Class B's, sped for 3:37.6 in the 132 for a mark. C's standards were set by: Carlos Rivas, 1:31.4 in the 660; Jim Beeler, 40.2 in the 330; and Mike Pedrini, 18 2/4 in. in the broad jump.

Capuchino set two meet records and tied another but were still out-gunned by the Rams. Ted Mitchell's 22.0 in the 22 and 10.2 in the 100, tied an set marks. Rich Grummell, 11 ft. 6 in. pole vault was the other best.

Roger Johnson was a double winner for Westmoor while Jim Buccelli, Herbst and Barr Langberg were also outstanding. Walt Prouty was a triple winner for the B's while setting two marks. Mike Pedrini did as well as Prouty in the C's competition.
